Our Department

Our **Computer Technologies Department**, which provides **associate degree-level education**, was established in **2000** with the aim of meeting the industry's demand for **skilled technical personnel** and training **qualified programmers in Computer Programming**. Since its inception, the department has been **highly sought after** and **intensely preferred** due to its alignment with **industry needs**.

Head of Department (Director)

Lecturer Muhammed Oğuz KAYA

Academic Staff (Personal)

Lecturer Muhammed Oğuz KAYA

Lecturer Kadir İÇAÇAN

Department Secretary

Mihracan ÖZKAN

- **Mission & Vision**

Mission

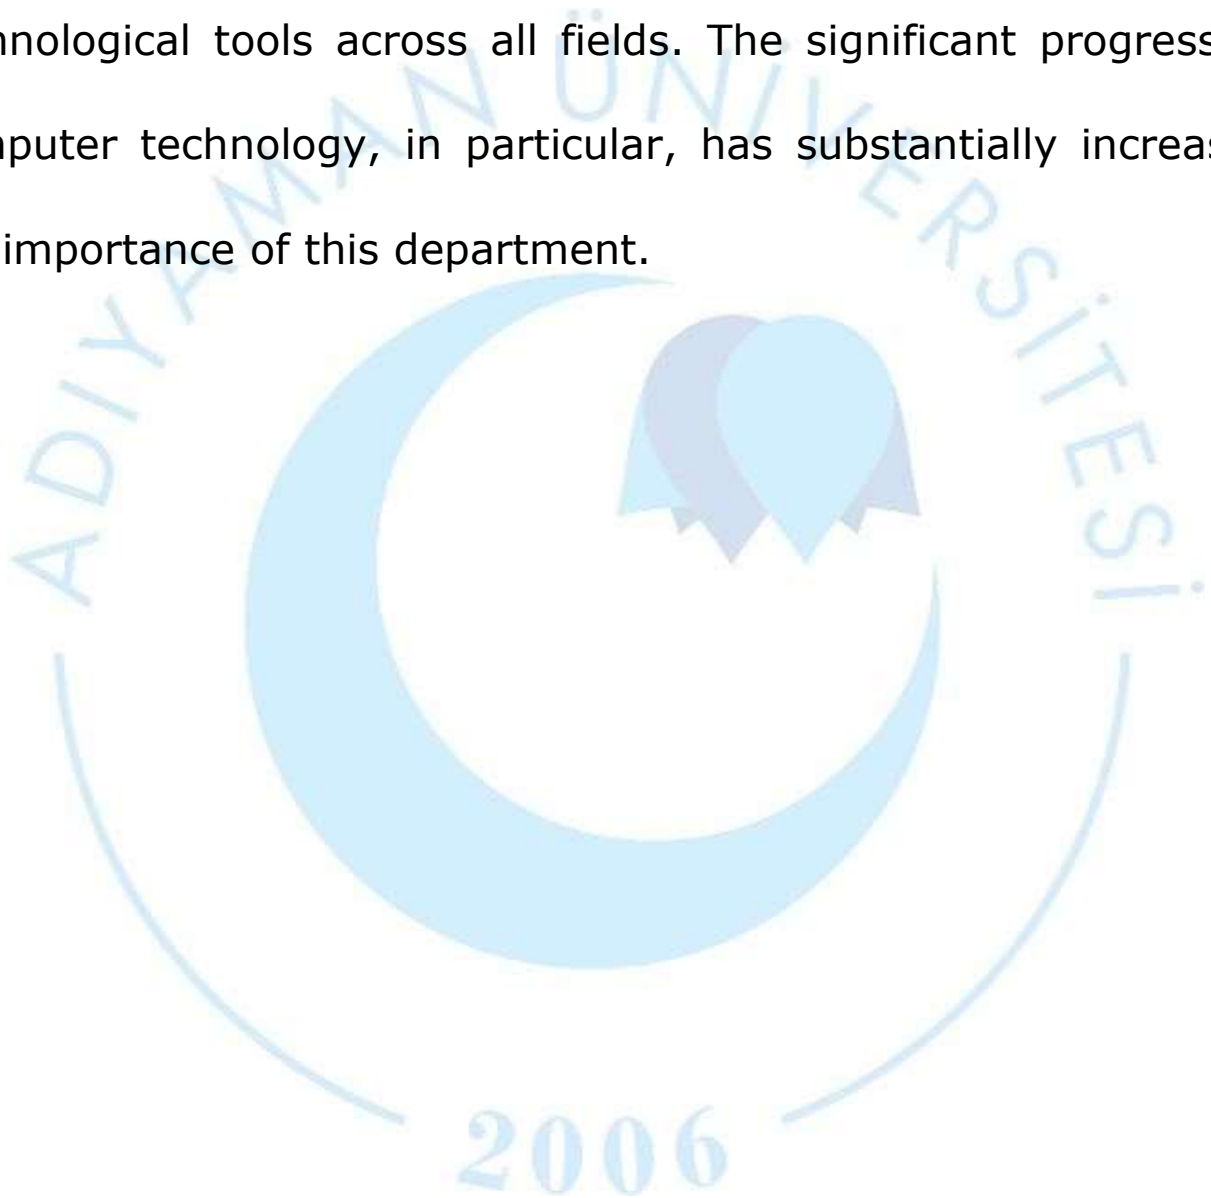

Our mission is to cultivate self-assured individuals who actively follow emerging developments, recognize technology's transformative impact on human life, and persistently pursue growth beyond their formal education. By fostering these qualities, we empower our graduates to secure distinguished positions in both professional and social spheres, enabling them to thrive in increasingly competitive markets while contributing to our nation's progress.

Vizyon

The department aspires to be recognized for educating technology professionals who demonstrate both technical mastery in software fields and the agility to evolve with sectoral transformations.

The Importance of Computer Technology Department

In our era, rapid advancements in science and technology continuously introduce new knowledge, skills, techniques, and technological tools across all fields. The significant progress in computer technology, in particular, has substantially increased the importance of this department.

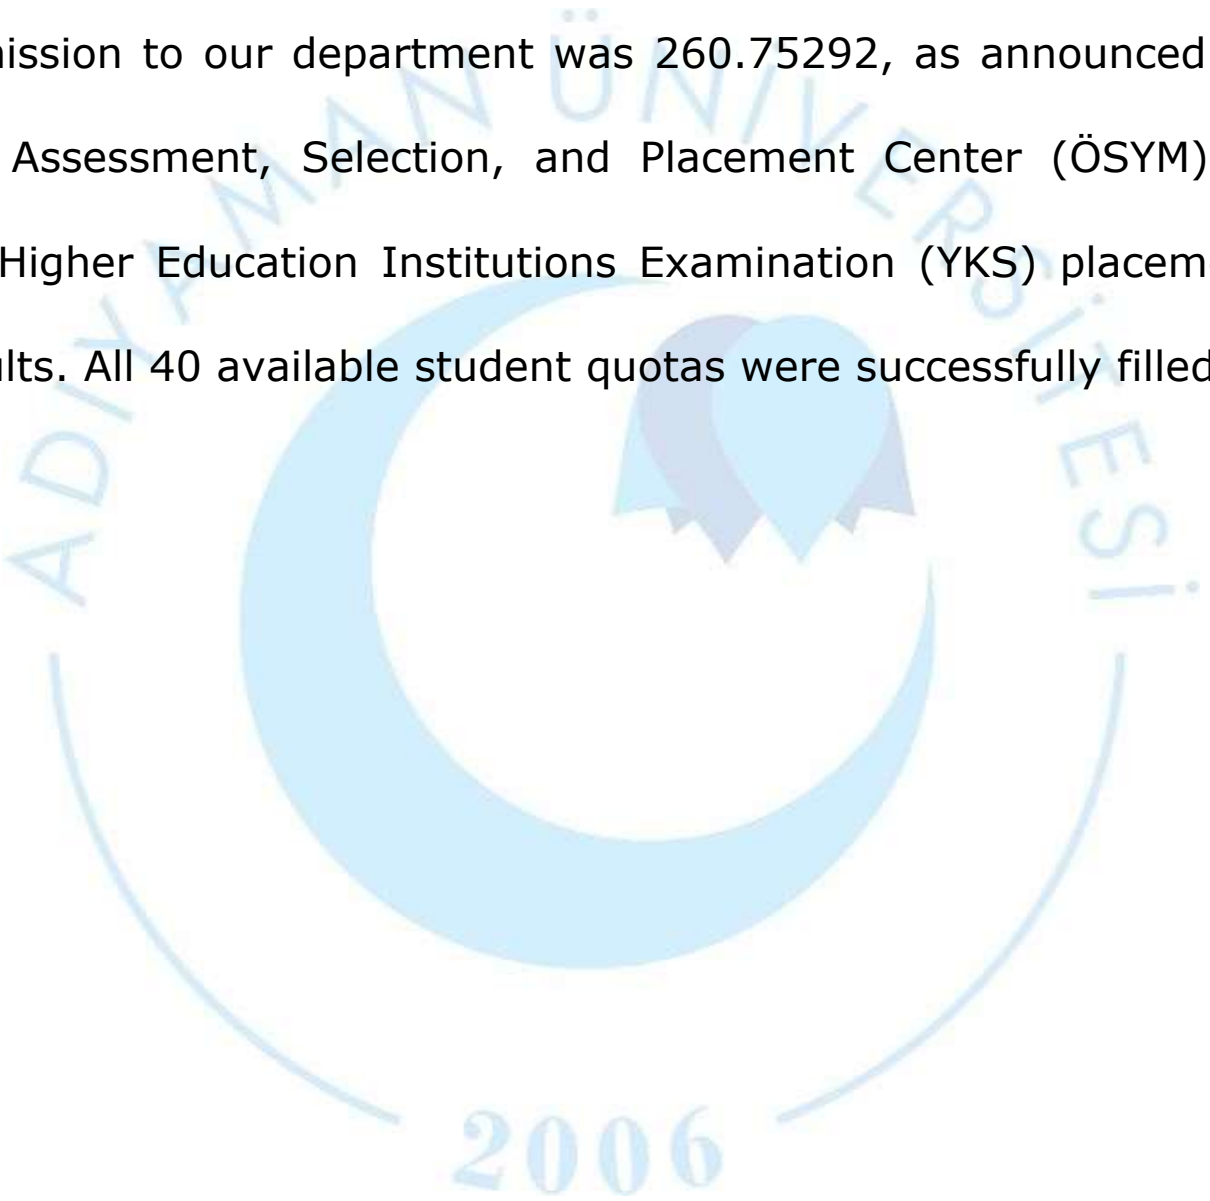

Career Opportunities for Our Graduates

Our graduates can pursue careers in both private and public sectors as:

- Computer Programmers
- System Support Specialists
- Computer Instructors
- Software Specialists
- Application Programmers
- Network Administrators
- Analyst Programmers
- Technical Consultants
- Web Designers
- Internet Programmers
- Software Coordinators
- Project Managers

Minimum Placement Score Based on Centralized Admissioner

For the 2024 academic year, the lowest placement score for admission to our department was 260.75292, as announced by the Assessment, Selection, and Placement Center (ÖSYM) in the Higher Education Institutions Examination (YKS) placement results. All 40 available student quotas were successfully filled.

Academic Course Catalog

1. Sınıf					
Code	Course Name	AKTS	HDS T+U/K	Z/S	Language
First Semester					
BTP101	MATHEMATICS	4	4+0	Z	T
BTP103	FUNDAMENTALS OF PROGRAMMING	5	3+1	Z	T
BTP105	GRAPHICS AND ANIMATION-I	4	2+1	Z	T
BTP107	SOFTWARE INSTALLATION AND MANAGEMENT	2	1+1	Z	T
BTP109	OFFICE SOFTWARE	4	3+1	Z	T
BTP11	COMPUTER HARDWARE	2	1+1	Z	T
BTP113	COMMUNICATION	2	2+0	Z	T
TD101	TURKISH LANGUAGE I	2	2+0	Z	T
YD101	FOREIGN LANGUAGE (ENGLISH) I	3	2+0	Z	T
AIT101	ATATÜRK'S PRINCIPLES AND HISTORY OF REVOLUTION I	2	2+0	Z	T
Fall Semester Total		30	27		
Second Semester					
BTP102	VOCATIONAL MATHEMATICS	3	3+0	Z	T
BTP104	FUNDAMENTALS OF WEB DESIGN	3	2+1	Z	T
BTP106	DATABASE AND MANAGEMENT	4	3+1	Z	T
BTP108	GRAPHICS AND ANIMATION-II	4	2+1	Z	T
BTP110	VISUAL PROGRAMMING-I	4	3+1	Z	T
BTP112	OBJECT-ORIENTED PROGRAMMING-I	5	4+1	Z	T
SKP102	CAREER PLANNING	2	2+0	S	T
TD102	TURKISH LANGUAGE II	2	2+0	Z	T
YD102	FOREIGN LANGUAGE (ENGLISH) II	3	2+0	Z	T
AIT102	ATATÜRK'S PRINCIPLES AND HISTORY OF REVOLUTION III	2	2+0	Z	T
Spring Semester Total:		32	30		
YEARLY TOTAL		60			

2006

2. Sınıf					
Code	Course Name	AKTS	HDS T+U/K	Z/S	Language
Third Semester					
BTP201	WEB PROGRAMMING-I	5	4+1	Z	T
BTP203	NETWORK FUNDAMENTALS	2	2+0	Z	T
BTP205	DATABASE-I	4	3+1	Z	T
