- Only staff and doctoral students can be sent to the countries colored in red.
- There is no restriction for incoming mobility from these countries to Türkiye.
- The countries marked in red are those for which official development assistance is provided by the OECD Development Assistance Committee.
- Although the DAC (Development Assistance Committee) list of ODA (Official Development Assistance) recipients list is updated from year to year, the countries marked in red will be used during the 2023 project period.

Erasmus+ Horizontal Priorities

Associating these priorities with the planned activities will make your project stand out during the evaluation phase.

Main Questions in KA171 Project Writing

QUESTION 1 - QUALITY OF PROJECT DESIGN AND COLLABORATION ARRANGEMENTS

- The extent to which the applicant organisation has previous experience of similar projects with higher institutions/organisations in the partner country and the clarity of the description of responsibilities, roles and tasks between partners.
- Detail your previous experience of similar projects with higher education institutions in this Partner country, if any, and explain how, for the planned mobility project, responsibilities, roles and tasks will be defined in the Inter-Institutional agreement. If applicable, provide as well the available information on your previous experience and planned cooperation arrangements with non-academic partners in your country and in this Partner Country.

QUESTION 1 - QUALITY OF PROJECT DESIGN AND COLLABORATION ARRANGEMENTS

- Brief information about the mobilities to be realized (introductory)
 - Distribution of responsibilities, roles and duties (2021 bilateral agreement format supportive)
 - Student – staff selection process and criteria
 - Mobility before / during / after mobility
 - processes and support
 - Recognition process of mobility
-

QUESTION 2 - RELEVANCE OF STRATEGY

- The extent to which the planned mobility project is relevant to the internationalisation strategy of the higher education institutions involved (both in the Programme and in the Partner country) and the rationale for choosing staff and/ or student mobility.
- Explain why the planned mobility project is relevant to the internationalisation strategy of the higher education institutions involved (both in the Programme and the Partner country). Justify the proposed type(s) of mobility (students for studies /students for traineeships/staff for teaching/staff for training).

QUESTION 2 - RELEVANCE OF STRATEGY

- Things to consider:
 - Why did we choose KA171, this partner country, this partner university and this field?
 - What will be outcome of the mobility, what is our aim?
 - How will the mobility serve internationalisation strategy of your institution or country?
-

QUESTION 3 - IMPACT AND DISSEMINATION

- The potential impact of the project on participants, beneficiaries, partner organisations, at local, regional and national levels and the quality of measures aimed at disseminating the results of the mobility project at faculty and institution levels, and beyond where applicable, in both the programme and partner countries.
- Explain the desired impact of the mobility project on participants, beneficiaries, partner organisations and at local, regional and national levels. Describe the measures which will be taken to disseminate the results of the mobility project at faculty and institution levels, and beyond where applicable, in both the Programme and Partner Countries.
