HEALTH AND TRAVEL INSURANCE

If your country has Social Security Agreement with Turkey, you can get insurance papers **before your departure** from your Social Security Office. Make sure it is the original document (copies not accepted) in both languages and dates are stated. This form needs to cover your erasmus period in Adiyaman.

If your country has not got a Social Security Agreement with Turkey, you have to arrange private health insurance. It should be in Turkish and the company should have a branch in Turkey. So, we advice students to buy their insurance after arrival in Turkey. Please visit our Erasmus office regarding with insurance procedures.
