

Welcome to Adiyaman University!

Dear Erasmus students,

First of all we'd like to say that **we're happy** that you chose Adiyaman University for your Erasmus+ Programme: we'll make our best so that your experience will be even better than your expectations!

For us it is a privilege and a **joy** to see international students in our University because we believe that in **multicultural environments** grow open-minded people, always curious to extend the boundaries of their knowledge.

You can always **refer to the Erasmus Office staff** when you need information, assistance, suggestions about academic concerns or life here in Adiyaman and if we are able to help, we'll surely do.

We designed this **website to let you find some answers** to the questions you certainly have about the new experience you'll start soon; nonetheless, *you can always write us* in case you still have unanswered questions.

We're looking forward to meeting you here and hope that the Erasmus experience with us will be a positive, meaningful and precious chapter in your academic and personal life!

In terms of visa, resident permit and insurance procedures, please read our own web-page which is stated at the left menu.

Sincerely,

The Erasmus Office Staff
